Dear Bondholder:

The purpose of this letter is to tell you of some changes we've made and how they affect you.

Our parent company, Talegen Holdings, Inc. ("Talegen"), previously named Crum and Forster, Inc., has recently restructured its subsidiaries into self-contained business units, each of which offers discrete products and services and has its own dedicated insurance companies. The establishment of dedicated companies permits enhanced management focus on the insurance subsidiaries within each business unit. The restructuring of the insurance companies has been approved by the Insurance Departments of all states in which the companies are domiciled.

The insurance subsidiaries dedicated to the Crum & Forster Insurance business unit consist of United States Fire Insurance Company, The North River Insurance Company, Premier Insurance Company, Crum and Forster Insurance Company, Crum & Forster Underwriters Co. of Ohio and Commonwealth Lloyd's Insurance Company, each of which has retained its A- (Excellent) AM Best rating. These companies are staffed by the same personnel who have handled your bond in the past and whose expertise is in underwriting a broad range of fidelity/surety coverages through a select network of independent agents and brokers. Any such coverage previously written in another Talegen insurance company will be transferred to one of the dedicated companies in the Crum & Forster Insurance business unit, so that Crum & Forster Insurance will be a self-contained business unit with a portfolio of bonds and property/casualty policies which directly reflect our book of business.

Since your bond was originally issued in a company which is now assigned to another Talegen business unit, we would like to transfer your bond to one of the companies in the Crum & Forster Insurance business unit, so that all insurance coverage handled by Crum & Forster Insurance is in its own dedicated insurance companies. Accordingly, attached is a Notice and Certificate of Assumption. This is an endorsement that would legally transfer your bond to United States Fire Insurance Company. Please read this Notice and Certificate of Assumption carefully and take the appropriate action indicated.

Please be assured that all your rights as a bondholder, all the terms and conditions of your bond, and the relationship between your agent/broker and those of us at Crum & Forster Insurance who have serviced your account, will not change as a result of this transfer.

We are confident that as a result of the restructuring we are now a stronger business unit, fully focused on meeting the needs of our fidelity/surety bondholders and property/casualty policyholders. If you have any questions or would like additional financial information on the insurance companies, please feel free to contact your agent/broker directly, use our toll free number (800) 899-7991, or call me personally at (201) 490-6601.

Sincerely,

James A. Stark
